25X1 11. [] Left with Chris Sylvester, in the office of Senator Milton Young, the Director's communication regarding S. 1035. Stilwell is very familiar with the background on this legislation having worked with the Senator in the preparation of his letter to Senator Ervin on our behalf. He said he would see that the Director's letter was brought to the Senator's attention immediately upon his return.

25X1 12. [] met with Representative Frank Horton (R., N. Y.) and his Administrative Assistant, Mr. David Lovenheim, and briefed them on Middle East affairs. Representative Horton was interested in the level of arms replacements provided Egypt by the Soviet Union, and the general political climate resulting from the Israeli Egyptian conflict. Representative Horton expressed his appreciation for the information provided by the Agency and advised that should he plan to speak or write on this general subject he would be in touch with us to insure that any classified information provided not be used. 25X1

25X1 13. [] Met with Mr. John R. Blandford, Chief Counsel, House Armed Services Subcommittee, in response to his question concerning newspaper reports of charges by Mr. Tshombe at his Supreme Court hearing "accusing the American Central Intelligence Agency for his kidnapping". Mr. Blandford requested that we brief Representative William G. Bray (R., Ind.) on his return next week. It was Mr. Bray who had posed the question with Mr. Blandford.

25X1 14. [] Delivered to Mr. Lee Williams, Administrative Assistant to Senator J. W. Fulbright (D., Ark.) an envelope from the Director enclosing a copy of a letter dated 1 September to Senator Russell regarding S. 1035. I advised Mr. Williams that the matter is one of concern to the Director and that the correspondence was being provided each participant of the CIA Subcommittee. It was suggested that if the Senator had any questions or if we could be of further assistance I would appreciate a call. Mr. Williams advised that Senator Fulbright would be back in the office in the morning and that he would bring the correspondence to his attention at that time.
